Darwin Catbagan

Front-End Developer

Hi! I'm Darwin I. Catbagan, an aspiring Front-End Developer passionate about building clean, responsive, and user-friendly web applications. I enjoy transforming ideas into interactive digital experiences.

Experience

2023 - Present

Beacon Solutions, Inc.

IT SUPPORT

I currently work at Beacon Solutions, Inc. as an IT Support Specialist assigned to Enchanted Kingdom, supporting Point of Sale (POS) systems and the Retail Information Site System Consolidator (RISSC) backend. My responsibilities include deploying and configuring POS hardware and software, maintaining system data, troubleshooting technical issues, managing user accounts and permissions, and ensuring system security. I also perform system updates, support backend integration, and provide technical assistance to minimize downtime and ensure smooth business operations.

Education

2019 - 2023

Pangasinan State University

Bachelor of Science in Information Technology

Alvear E, Poblacion, Lingayen, 2401 Pangasinan

2017 - 2019

Bolinao Integrated School - SHS

Science, Technology, Engineering, and Mathematics

Germinal Bolinao Pangasinan
